

## January 24, 2021 - Live On Mission

(Shawn, please don't put this up until I am reading it.)

"Where is God going to send you on mission this year? - Be willing!"

Wherever you are in the moment, and wherever God sends you or takes you in your life, **THAT'S** where you are to be on mission for God.

It is God who gives us life.

It is God who redeems us for eternal life and who gives our lives meaning, purpose, significance, fulfillment and joy...

...**WHEN** our lives are lived for Him in submission and obedience to Him.

### Acts 17:24-28a

"Live On Mission" means:

If you still have breath and a heartbeat, your life is to be lived on the Lord's mission.

What is His mission? - Matthew 28:19

You and I are on mission for God 24 / 7 / 365.

- Philippians 1:21

As a believer, to live is to serve the Lord and to be on God's mission to the world sharing the Gospel with others.

Our lives are to be centered in Christ - **ALL** about living for Christ; living in obedience to Christ; living to please Christ.

- Colossians 1:10

He loves every person He creates; He wants every one of them to receive abundant life and to have eternal life with Him in His Kingdom.

- 2 Peter 3:9; 2 Peter 1:1

Are you living on the Lord's mission as Jesus described in Luke 19:10?

Are you living ready and willing to go wherever the Lord leads you to go and to whomever the Lord leads you to share Him with?

Live wholly surrendered to Him and you will experience God's Holy Spirit working through you in ways you would have never otherwise hoped or dreamed!
