

## **February 21, 2021 - Stay Tuned!**

The sixth and final question we are to ponder and pray about is:

"How is God going to work through your life in 2021? - Stay tuned!"

The possibilities are endless because our God is boundless.

AND, His love for us is boundless and makes all things possible.

If we stay tuned in with Him we KNOW He WILL be working in and through our lives to accomplish His good purposes for others and for us.
