

## **February 7, 2021 - Learn It, Live It**

The fifth question in the series we are to ponder is:

- "What new truths is God going to teach you this year? - Be seeking!"

God ALWAYS has new truths for us to learn and to put to use in serving Him and living our lives for Him, all for His glory.

What are you doing to prepare yourself for learning and then living the new truths God has for you each day?

### **1 Corinthians 2:6-13**

Vv.6-10a - **ALL** truth is a mystery to us hidden in God and only comes to us when God chooses to reveal it to us by His Spirit.

- The world can not even begin to comprehend or figure out God's truths.
  - V.14
  - Romans 8:6-8

Vv.10b-11 - The Holy Spirit is God, and so He knows God's mind, and thoughts, and heart, and intentions.

V.12 - Those who are born-again in Christ Jesus have received **that** Spirit.

- He reveals God's truths to us and enables us to understand and apply them in our lives. (John 14:15-17, 26; 16:12-15)

God's truths for us are revealed, learned, understood and reinforced in us by His Holy Spirit in us through:

- 1) Prayer.
- 2) Reading and studying the Bible on our own.
- 3) Studying the Bible with others.
- 4) Life experiences.
- 5) Worship.
- 6) Biblically sound preaching.
- 7) Believers sharing insights with one another.
- 8) Observing the lives of faithful Christ followers.
- 9) Reading biblically sound books.

V.13 - We speak what the Spirit of God has revealed to us and taught us about Himself, His love, and the Gospel of Jesus.

- We speak these things to unsaved people in our lives as God guides our hearts.

- We speak these things to one another who are in Christ to encourage each other and help one another grow in God. (Colossians 3:16)

- What are you doing, OR, *what will you begin doing*, to prepare yourself for learning and then living the new truths God has for you each day?
