

## Sunday Morning, May 10, 2020 - Women of Faith

We are observing two women in Scripture, both mothers, who were true women of faith.

### 2 Timothy 1:1-7

V.5 - "sincere faith" - Genuine, unadulterated faith with no impurity.

Women, whether or not you are a mom, be women of faith. The world desperately needs you!

2 Timothy 3:14-15 (Timothy was taught the Scriptures since infancy.)

Encourage your kids, and others' kids, to fan into flame the gifts of God in them.

In Acts 16:1 we learn that Timothy's mother Eunice was a Jewish Christian but his dad was a Gentile Greek unbeliever.

In that home, as in many homes today, the mom was the one who carried on the faith by exemplifying and teaching the faith.

Men, you and I need to be co-partners in that process for the sake of our children and the children of others.

- Ephesians 6:4
- Mark 10:14

Sadly and too often today, NO one in the home, even supposedly Christian homes, is teaching the children faith in Christ Jesus.

Scripture and church history reveal that it has often been the godly mothers and other godly women who have kept the spark of faith alive in our homes, churches, and society.

Men, if you have not accepted your spiritual mantle and mandate from God to be the spiritual leader at home and/or in the church, I encourage you to prayerfully accept and to courageously live out the responsibility God has placed on you as the spiritual leader in your home and in His church.

Everyone, thank God for your mother. Without her, you would not be here.
