All human beings, all people of every race, color, ethnicity and language, are created personally by God, in the image of God, for the pleasure of God in a relationship with God, to enjoy the freedom God gives people in Christ Jesus, all to the glory of God.

EVERY person, and every person's life, are treasured by God, which He proved on the cross.

God loves ALL people; Jesus died and rose for all people, and He doesn't discriminate between people by showing favoritism at all.

- Romans 2:9-11

We are commanded to love one another and others, and we should also not discriminate between people by showing favoritism at all.

- James 2:1, 8-9

As believers, we "have been set free from sin and have become slaves to righteousness" (Romans 6:18); because "It is for freedom that Christ has set us free" (Galatians 5:1); "So [when] the Son sets you free, you [are] free indeed." (John 8:36)

Jesus died and rose and lives to provide equal freedom for ALL people.

- Jesus, John 8:36

Equal freedom for ALL people! May we be found faithful in the Lord Jesus to pray, and to act, toward that goal until we see it fulfilled throughout the world to the praise and glory of God.
